QUALIFICATIONS AND DUTIES

TEACHERS

The St. John the Baptist Parish School Board shall require that each **teacher** or **substitute teacher** hold not less than a bachelor's degree from a regionally accredited college or university to be eligible for employment, whenever possible. Each teacher, including administrative personnel, shall be required to hold a current and valid teacher's certificate issued by the Louisiana Board of Elementary and Secondary Education (BESE) or demonstrate proficiency in meeting all requirements necessary to obtain such a certificate.

Certification in Progress

In the absence of an available, certified teacher, principals may recommend an applicant who is actively making progress toward earning permanent teacher licensure. The applicant shall be eligible for employment a maximum of three (3) years while working towards certification.

To be eligible for initial hire, the applicant must meet the requirements and obtain/maintain an initial *Louisiana Temporary Authority to Teach (TAT)*, as set forth in Bulletin 746, *Louisiana Standards for State Certification of School Personnel*, §323. TATs are valid for one (1) year initially and may be renewed twice thereafter provided the applicant has met the specified requirements. The applicant shall be considered a temporary employee and shall follow the same classification as late-hire employees with employment ending within seven (7) days upon the employment of a certified teacher or the final day of the school year. Uncertified employees shall not be guaranteed teaching positions until earning permanent licensure. **Teachers assigned to Head Start must meet program requirements; effectively perform requirements of their job description; follow all applicable policies/procedures; and complete assessments required for permanent state certification twice annually (once per semester). Scores must be received and available by April 30th of each year to continue employment.** Personnel who do not meet these requirements may be employed as temporary teachers and shall not be entitled to employee benefits.

If the principal determines that the **applicant teacher** has met the standards of effectiveness, adhered to the corresponding job description, and evaluations and documentation supports satisfactory performance, the teacher may be recommended for a second (2nd) year of employment, but must meet the specified requirements and renew/maintain a TAT or a Practitioner License. By the end of year two, the **applicant teacher** must be enrolled in an alternative certification program to continue employment, with proper documentation being submitted for verification.

If the principal determines that the **applicant teacher** has demonstrated satisfactory performance of duties, adhering to the corresponding job description, and evaluations and documentation supports such determination, the teacher may be recommended for a third (3rd) and final year of employment as a teacher. The teacher must be enrolled in an alternative certification program, eligible for TAT3, and earn the practitioner license by

the end of the first semester of the third (3rd) year of employment. The teacher shall only be eligible for continued employment if they have met the specified requirements and earned permanent licensure.

JOB DESCRIPTION/DUTIES

A written job description shall exist for every employment position with the St. John the Baptist Parish School Board, depicting the minimum qualifications and the responsibilities necessary for the position.

As part of their work assignment, teachers, as well as other employees, shall perform duties as necessary to reasonably maintain the safety and welfare of students. They shall at all times perform these duties in a reasonably prudent manner. There shall be intensive supervision of all students in areas of high risk, such as indoor or outdoor physical education classes, weight rooms, locker/dressing rooms, chemistry and biology labs, home economics classes, as well as other high risk technical education classes, and extracurricular activities including such things as practices, tutoring, try-outs, field trips, and athletic events.

Teachers may also be required to attend or conduct such other functions or activities of their respective school as deemed appropriate by the principal within the guidelines of their job description and their job responsibilities.

OTHER PERSONNEL

The Superintendent shall ensure that other school employees, both current and prospective, have proper certification, as applicable, and are qualified for the position to which employed.

AUTHORIZATION AND RELEASE

IMPORTANT: READ CAREFULLY BEFORE SIGNING

Louisiana Revised Statutes 17:3884 provides that a school board considering the employment application of a person who has been evaluated in another school system shall request such person's evaluation results as part of the application process and shall inform the applicant that his/her evaluation results will be requested. The applicant shall be given the opportunity to review any information received by the prospective employer as a result of such request and afforded the opportunity to provide any response or information the applicant deems appropriate. Please be advised, therefore, that the St. John the Baptist Parish School Board will request evaluation results on you from each of the school districts you have listed in your application. You will be given an opportunity to review the evaluation results received and to provide a response or information if you would like to do so. Any written response or information you might provide will be retained with your application.

Louisiana Revised Statutes 17:15 also requires all applicants for employment to be fingerprinted in order to assist in background checks of those individuals. Should it be determined that any applicant (or employee) has been convicted of one or more of the criminal offenses set forth in Louisiana Revised Statutes 17:587.1(C), then that applicant (or employee) is generally precluded from further employment with the school system. The conviction of other offenses that call into question the applicant's fitness for the position may also preclude employment or continued employment.

Louisiana Revised Statutes 17:81.9 further requires a school board receiving an application to request that all current and prior school board employers of the applicant provide it with all information in their records relative to instances of sexual misconduct, if any, with students committed by the applicant. This law further provides that the applicant must release all such employers from liability arising from the release of such information to the prospective employer.

Louisiana Revised Statutes 44:1 et al. provides that public records are subject to production to persons requesting such information, including members of the press. Accordingly, I understand that the fact that I am seeking employment with the Board and my application may become public knowledge.
